Director’s Message

Dr (Brig.) Rakesh Kumar Gupta, MD
Director
GIMS

The Government Institute of Medical Sciences (GIMS) Greater Noida, Gautam Buddha Nagar (UP) is an autonomous medical teaching institute established by the State Government of Uttar Pradesh established since the 15th February, 2016. The institution is registered with Society as an autonomous institution on the lines of SGPGI Lucknow. The Chairperson of the Institute is Shri (Dr) Anup Chandra Pandey, Chief Secretary, Govt. of Uttar Pradesh; Vice Chairperson is Dr. Rajneesh Dube, Principal Secretary Medical Education. The current Director of the institute is Prof. (Brig) Rakesh Gupta. The institute is affiliated to the prestigious King George’s Medical University, Lucknow.

GIMS was established with an aim to improve the status of health of the rural and urban population of western Uttar Pradesh, by providing a state of art health facilities as well as facilitating equitable access to quality health care through a revamped health care system, targeted outreach services as well as involvement of community and local bodies.

GIMS is located in Greater Noida, near Kasna in Gautam Buddha Nagar and caters to the districts of Gautam Buddha Nagar, Hapur, Bulandshehar, Khurja, Jewar, Mathura and neighbouring areas. The Mission of the institute is to provide comprehensive medical facilities to each and every life without discrimination along with developing GIMS as a center of excellence in the field of health delivery system, medical education and research.

The institute has state of the art infrastructure, well equipped high-end equipment and laboratories, along with Skill lab. The faculty is from reputed institutions, are highly experienced and dedicated, well versed in latest Medical Education Technology and trained in newer curriculum guidelines from the MCI. The hospital is fully functional providing comprehensive care in all the specialties. The patient load in the OPD as well as inpatients is increasing day by day. There are approximately 1500-2000 patients are visiting every day and more than 200 patients are admitted in the hospital.

Jai Hind !
**Chief Medical Superintendent’s Message**

**Dr. Shikha Seth, MD**  
Chief Medical Superintendent  
GIMS

Government Institute of Medical Sciences, GIMS Greater Noida is an upcoming medical institute of state of Uttar Pradesh with primary aim of providing professional quality medical care to the ailing, poor, sick & needy along with empowering the medical fraternity by imparting education, skills to the students and research in the field of science but also to nurture the healthy community. In today's era, the challenges to Medical science in India are: quality health care at affordable cost to everyone, updating evidence base medicine (EBM) with our own data, and none the least, integrating services to outreach areas and real needy population, and we have taken all three as our "goal" with mission "Quality". Quality which will be achieved from good intentions, dedicated efforts and skillful execution of tasks in right direction by all members of GIMS family. Being the Chief Medical Superintendent (CMS), I feel privileged to convey on behalf of all faculty members and staff that we GIMSonians as a team are going to contribute our fullest efforts in fructifying the primary objective of "Quality Medical Care" and try to touch the newer heights in near future.

Jai Hind !
Dean’s Message

Dr. Vivek Kumar Sharma
Dean
GIMS

Government Institute of Medical Sciences, Greater Noida, is an upcoming apex institute with mission to provide affordable health services to all sections of the society and has been envisioned to be in the forefront of providing excellent professional medical education, multidisciplinary research and state of the art tertiary care medical facilities. The institute is having skilled, experienced and dedicated faculty members who are well versed with recent upgradations in Medical Education Technology. Institute is well equipped with excellent infrastructure, library facilities, student laboratories and skilled labs. The institute is received the Letter of Permission (LOP) from Medical Council of India for admitting 100 MBBS students for the academic year 2019-20. There will be complete focus on integrated medical curriculum implementation that will equip medical students to face up to various challenges in their future career and also help them to become compassionate, empathetic and responsible doctors who can duly fulfill the needs of the society. The attached hospital is already providing full-fledged health care facilities in all medical and surgery specialties to the patients.

Jai Hind!
GIMS At A Glance

- The Government Institute of Medical Sciences (GIMS) Greater Noida, Gautam Buddha Nagar (UP) is an autonomous institute under Govt of UP, established on the lines of SGPGI and started its operation on 15th February, 2016.

- The institute is affiliated to the prestigious King George’s Medical University Lucknow.

- The Chairperson of the Institute is Shri (Dr) Anoop Chandra Pandey (IAS), Chief Secretary, Govt. of Uttar Pradesh; Vice Chairperson is Dr. Rajneesh Dube (IAS), Principal Secretary Medical Education.

- The Director of the institute Dr. (Brig) Rakesh Gupta, MD (Paeds), M Phil(HHSM), FIAP is Brigadier from Indian Armed Forces.

- Dr. Vivek Kumar Sharma, MD (Physiology) is the DEAN and Head of Physiology Department.

- Chief Medical Superintendent Dr. Shikha Seth, MD (Obs. & Gynae.) is experienced to take over the responsibility.
Mission of GIMS

The Mission of the institute is to provide comprehensive medical facilities to each and every life without discrimination and develop as a centre of excellence in the field of health delivery system, medical education and research.
Infrastructure
# Administrative Block

![Administrative Block Image](image_url)

## Name of Faculty | Designation
---|---
Dr. (Brig) Rakesh Gupta | Director & Professor of Pediatrics
Dr. Vivek Kumar Sharma | Dean & Professor, Physiology
Dr. Shikha Seth | CMS & Professor, Obs. & Gynae.
Dr. Suresh Babu | Medical Superintendent
Dr. Anurag Srivastava | Administrative officer
Dr. Pragati Sheel Mittal | Logistic Officer
The GIMS hospital is 300 bedded and fully functional providing comprehensive care in all the specialties. The patient load in the OPD as well as inpatients is increasing day by day. There are approximately 1500-2000 patients visiting every day and more than 200 patients are admitted in the hospital.
"In the years to come, triumph will go to the centres that know who they are and how to indulge with the forces that are shaping our world. GIMS intends to be among the forefront"
The faculty members are from reputed institutions, highly experienced and dedicated, who are well versed in the latest Medical Education Technology and trained in newer curriculum guideline.
DEPARTMENT OF ANATOMY
Library Vision: Our central library strives to serve teaching, learning & research needs of the medical fraternity

Facilities
**Boys’ Hostel**

GIMS is having a separate hostel for boys, which is situated inside the campus of Gautam Buddha University. It is named after a famous writer of Hindi and Urdu literature Munshi Premchand Boys hostel is having four floors with the capacity of total 146 single rooms. Rooms are well furnished with required Furniture and Electrical fittings. Each floor is having Water Purifier with Cold Water Dispenser.
Girls Hostel

GIMS is having a separate hostel for girls, which is situated inside the campus of Gautam Buddha University. It is named after a famous Indian writer Ismat Chughtai girls hostel.

Hostel is having four floors with the capacity of total 100 single rooms. Rooms are well ventilated. Rooms are well furnished with required Furniture and Electrical fittings. Each floor is having Water Purifier with Cold Water Dispenser.
Stadium

Indoor Stadium
Patient Care facilities

The hospital is functioning 24 X 7 X 365. The hospital brings together physicians in all basic specialties, efficient administrators and specialized equipments to deliver high quality care to people with acute and chronic health conditions.

We offer a wide range of services, including emergency care, scheduled surgeries, labor and delivery service, diagnostic testing, lab services, and patient education.
OPD Services

OPDs have waiting hall with adequate facilities to sit and wait where public utilities like drinking water and toilets are available for the convenience of patients. Sub-waiting areas are available in front of individual consultation rooms.
Out-patients data

TOTAL = 349054 @ 29091/per month

In-patients data

TOTAL = 4644 patients admitted @ 387/per mo
Ward/ Indoor facility

There are 300 beds in various wards. Separate wards are available for Medicine, Surgery, Orthopedics, Gynaecology, Pediatrics, E.N.T & Eye.

Emergency Services

24x7 hours emergency services are available with emergency medical officer and trained medical staff present all round the clock.
Operation Theaters

There are 6 modular operation theaters available. Minor OTs are available.
Physiotherapy

Range of physiotherapy services are provided to help patients recover from a wide range of musculoskeletal painful disorders.

Laboratory services

Trained laboratory staff is providing effective, and systematic services of painless blood withdrawal and the like for specialized tests. The investigations are being outsourced through POCT. It includes:

i. Pathology laboratory
ii. Microbiology laboratory
iii. Biochemistry laboratory
X- Ray Services

Laboratory Services
**ECG Services**
24hours ECG services including machine report done by trained staff.

**Ambulance Services**
24 hours patient transport vehicle is available for the convenience of patients including 108 Ambulance services.

**Radiology Services**
Digital X-rays, CR system, Ultrasonography & contrast studies available

**Blood Bank Services**
24 hours Whole blood bank facilities of all the blood groups are available

**PM-JAY Services**
Services for registration, OPD and in-patient services available
Conferences & Workshops
CME & Workshops

International CME-cum-Workshop on Mind, Body Medicine.

International CME on Otorhinolaryngology
National Workshop on Advanced Molecular Biology Techniques in Diagnostics

Guest Lecture on Ethics of Clinical Research
Hands on training Workshop on ALS & BLS

Achievements

Achievements

The Government Institute of Medical Sciences (GIMS) Greater Noida, Gautam Buddha Nagar (UP) is an autonomous medical teaching institute established by the State Government of Uttar Pradesh and has received Letter of permission from Medical Council of India vide letter No. MCI-34(41) (E-60)/2019 Med/ 115574 dated 20th May 2019 for starting MBBS course for 100 students and the first batch of MBBS will start from Jul 2019.

1. Infrastructure

   a. Only 2 floors were functioning -→ all 4 floors are functioning
   b. Lifts & Elevators
   c. Lighting of corridors
   d. Renovations
      i. Emergency services
      ii. ICU
      iii. Registration
      iv. MRD - computerized
   e. New Departments
      i. PM-JAY (Ayushman Bharat) functional since Oct 2018
      ii. Emergency lab services
      iii. Emergency imaging and radiology services
iv. Complaint cell
v. Patient Grievances redressal cell
vi. Canteen facilities 24X7
vii. Janaushadhi shop
viii. Autonomic function testing
ix. Anti-tobacco cell
x. Research Wing

2. NEW Facilities
   a. Subspecialty clinics-
      1. Pediatrics- Asthma, Neurology, Rehabilitation clinics
      2. Diabetic clinic
      3. Rheumatology clinic
      4. Psychology clinic- MOU with GBU
      5. Histopathology services – MOU with SSPH&PGTI

   b. Blood Bank started since 15 Feb 2019
   c. Daily Immunization since -15 Aug 2018

3. Manpower
   a. Faculty – 20 more faculties and 20 Residents added
   b. Two Dental MOs appointed
c. Nurses no increased to 175

d. Paramedical staff increased proportionately

e. Revamping outsourcing staff

4. Equipment

a. All equipments for emergency & ICU services

b. Blood bank Equipments

c. 11 Ventilators procured

d. 6 Anesthesia work stations

e. ICU, PICU, NICU, SICU, Labor room equipments

5. Diagnostic services

a. Emergency lab 24X7

b. Many investigations were added, Laboratory services has seen the growth in terms of Endocrinology, Tumor markers, chemistry analysis expansion like Amylase, lipase, ketones, ABG, Glycated Haemoglobin, electrolytes and many more.

c. EQUAS has been in force from CMC Vellore for validation of laboratory reports moving in the right direction for NABL certification.

6. Birth & Death certificates started online

7. Registration with JSSK
8. **Pharmacy** – No of counters 4 to 8, Nurses for prescription verification and counseling of patients

9. **CME-Update-Workshops**
   a. Dept of Physiology - 20-21 Nov 2018
   b. Dept of ENT-HNS - 14-15 Dec 2018
   c. RNTCP workshop – 19 Jan 2019
   d. Dept of Pharmacology/ Ethics – 28 Sep 2018
   e. Dept of Biochemistry -22-23 Apr 2019
   f. BLS Workshop -19 May 2019

10. **No of Publications (2018)** - 20

11. **Achievements & Awards**
   a. Dr Vivek Sharma has delivered “Key note Address on “Physiological principles of Mind Body and Medicine” at Raleigh North Carolina USA. On 1-3 Mar 2019

12. **Outreach programmes**
   a. Diabetes awareness programme on 14 Nov 2018
   b. Diabetes update on
   c. Medical camp for villages – Every Wednesdays
   d. Medical camp for differently abled children – 12 Nov 2018
   e. Anti-tobacco workshop
   f. Cervical Screening Camp
   g. Free Investigation
   h. Free Medical Check-up of Senior citizens
13. **Procurement**
   
a. GeM procurement
b. E-tender registration and e-tendering

14. **Important visits**
   
a. Principal secretary – Shri (Dr) Rajneesh Dubey, IAS – 7 Sept 2019
b. CEO-GNIDA – Shri Narendra Bhushan, IAS – 22 Apr 2019
c. Dr DK Gupta – Director SSPH&PGTI – 14 Dec 2018
d. Dr B P Sharma, Vice chancellor GBU
e. Shri Mukesh Meshram Secretary ME -17 May 2019

15. **MCI Inspection on 4th & 5th Dec 2018 AND 8 Apr 2019**

16. **No iGRS complaint pending**

17. **Heartfulness workshop**

18. **Governing Body meeting on 28 Sep 2018**

20. **Swachh Bharat Abhiyan**

21. **Independence day celebrations on 15 Aug 2019**

22. **World yoga day on 21 Jun 2018**

23. **In the year 2018 around 300 major & minor procedures were conducted.**
24. **Obstetrics and Gynaecology department** - 3 new special clinics in OPD – Antenatal clinic, cancer detection clinic and infertility workup. National programmes like JSY, JSSK and family welfare have been implemented in this institute.

26. **Dept of Radiology** - Special investigations – like Barium swallow, Barium meal, Barium meal follow through are being conducted besides X-rays & ultrasound.

27. **Dept of Surgery** - started all major & minor surgeries in start of this year incl - Cholecystectomy, GI surgeries and kidney surgeries.

28. **108 Ambulance services**

29. **ASHA worker orientation programme**

30. **Biometric system**

32. **Out Reach programme** - Weekly camp – on Wednesdays
