

IGNOU STUDY PROGRAMS AT GIMS

[Last date for submission of application is 30th June, 2023]

Government Institute of Medical sciences, Greater Noida (GIMS) has been empanelled as Learner Support Centre (Regular) for School of Health Sciences (SOHS) programs under IGNOU Regional Centre, Noida. This will help in fulfill the vision of GIMS in providing access to higher education to all segments. GIMS is the **first Learner Support Centre (Regular)** of its regional area. With a view to develop interdisciplinary programs, IGNOU University operates through its Schools of Studies.

IGNOU is an autonomous University established by an act of Parliament with a view to democratize education and disseminate knowledge through multiple media for the benefit of large section of society within the country, especially the weaker and disadvantaged groups through Open and Distance Learning (ODL). In order to fulfill the vision of providing access to higher education to all segments, GIMS has empanelled with IGNOU University to start a Learner Support Centre as regular study centre for health science programs for healthcare providers.

AIM These programs are aims at developing knowledge and skills of the learners to provide better healthcare services in various situations.
