DIRECTOR'S MESSAGE

Brig. (Dr.) Rakesh K. Gupta

MD (Pedia), Mphil
Director

Government Institute of Medical Sciences (GIMS), Greater Noida, Gautam Buddha Nagar, was established on 15 February 2016 by the Government of Uttar Pradesh as an autonomous, not-for-profit academic medical centre, modelled on SGPGIMS, registered under the Societies Registration Act and affiliated to Atal Bihari Vajpayee Medical University, Lucknow. Guided by the vision to be a Centre of Excellence in patient care, medical education, biomedical research and disease prevention, GIMS serves the communities of western Uttar Pradesh and neighbouring states with equitable, high-quality care.

The Institute launched its MBBS programme in 2019 and has since expanded postgraduate training with DNB (from 2020) and MD/MS (from 2024) across multiple specialties. Allied health sciences have grown through a College of Nursing (Mentor College under Mission Niramaya) and an Institute of Paramedical Sciences, while GIMS Vidya SETU delivers hands-on skill training in ICU/ventilator management, BCLS/ACLS and NSDC-HSSC/IGNOU modules. Clinical services are delivered through a 630-bedded, NABH-accredited teaching hospital with NABL-accredited laboratories. The hospital manages around 1,500 OPD visits daily with over 450 admissions, supported by modular OTs, advanced critical care, CT/MRI/mammography/fluoroscopy facilities, dialysis services and a dedicated Type-1 Diabetes Centre of Excellence, with e-Sanjeevani tele-consultations extending our reach.

Research and innovation are anchored by the Department of Medical Research (2020). The Molecular Diagnostics & Research Laboratory (2020) holds ICMR and ICMR-NIV accreditations with WHO-qualified workflows. The Multi-Disciplinary Research Unit (sanctioned 11 October 2021) houses a comprehensive instrument suite for molecular and applied research. The Viral Research & Diagnostics Laboratory (sanctioned 4 October 2021) ranks among top-performing national VRDLs of the nation. The Genome Sequencing Facility (inaugurated 19 June 2022) is INSACOG-recognised. Across units, more than 200 investigator-initiated projects flourish with extramural support from ICMR, CSIR, DBT, WHO and MoHFW.

GIMS now hosts a public hospital-based Medical Incubation Centre and the GIMS Startup Clinic—the first clinic for startups in a public hospital. The platform offers clinical mentoring, idea validation, pathways for efficacy and clinical trials, an IPR clinic, funding linkages and national networking, and is building a Diseases Prevention Cohort to catalyse affordable, accessible innovations. In parallel, GIMS has been empanelled as an IGNOU Learner Support Centre (Regular) for the School of Health Sciences, offering two programmes for MBBS graduates with January

admission: the Post-Graduate Diploma in Maternal and Child Health (PGDMCH) and the Post-Graduate Diploma in Geriatric Medicine (PGDGM)

A near-full-strength, residential faculty sustains high academic standards; our students have secured top national ranks, including in INI-CET. GIMS was recognised as the Best Medical College in COVID-19 Care Management in Uttar Pradesh. A green, student-centric campus with modern hostels, vibrant clubs and strong mentorship fosters holistic growth with zero tolerance for ragging. Looking ahead, we are deepening our research-innovation pipeline, expanding skill development and paramedical programmes, and accelerating incubation to deliver compassionate, affordable care with measurable impact..

GIMS At A Glance

- *Government Institute of Medical Sciences (GIMS) Greater Noida, Gautam Buddha Nagar (UP) is an autonomous institute under Govt of UP, established on the lines of SGPGI and started its operation on 15th February 2016.*
- *The institute is affiliated to the prestigious **Atal Bihari Vajpayee Medical University Lucknow**.*
- *The Chairperson of the Institute is **Shri Manoj Kumar Singh, (IAS)**, Chief Secretary, Govt. of Uttar Pradesh; Vice Chairperson is **Shri Partha Sarthi SenSharma (IAS)**, Principal Secretary Medical Education, Govt of Uttar Pradesh.*
- *The **Chief Medical Superintendent** Dr. Saurabh Srivastava, MD (Medicine) is an experienced Physician and able administrator.*
- *Dr. Rambha Pathak MD (Community Medicine) is the DEAN and Head of Community Medicine Department.*

Vision of GIMS

**To be a Centre of Excellence in Patient Care,
Medical Education and Biomedical Research**

Mission of GIMS

- *To be in quest for continuous quality care improvement in all domains of health care delivery so as to become a benchmark*
- *To create and sustain apex tertiary health care Centre across the entire spectrum of health care delivery*
- *To design latest medical education platforms for training graduate, postgraduate and post-doctoral in medical and allied sciences*
- *To imbue and steer young scientific minds towards meaningful research, transgressing the frontiers*
- *To extend the community outreach services in sync with national health policy so as to ensure robust preventive health care in the region*

Hospital overview & Faculties

Administrative Block

Hospital Building

The 500 bedded hospital is fully functional providing comprehensive care in all the specialties. There are approximately 1500-2000 patients visiting every day and more than 300 patients are admitted in the hospital.

Academic Block & College

Outstanding Faculty of GIMS

The faculty is from reputed institutions, highly experienced and dedicated, who are well versed in the latest Medical Education Technology and trained in latest curriculum guideline.

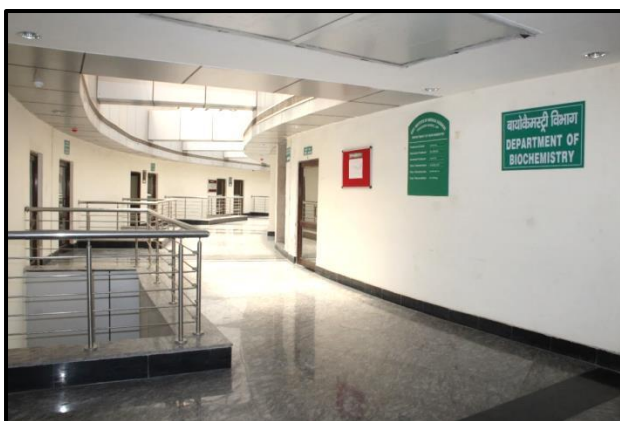

DEPARTMENT OF ANATOMY

DEPARTMENT OF PHYSIOLOGY

DEPARTMENT OF BIOCHEMISTRY

GIMS CENTRAL LIBRARY

Vision: Our central library strives to serve teaching, learning & research needs of the medical fraternity.

SPORT FACILITIES

Stadium

Indoor Stadium

GIMS facilities

Boys Hostel

*GIMS is having a separate hostel for boys, which is situated inside the campus of Gautam Buddha University. It is named after a famous writer of Hindi and Urdu literature **Munshi Prem chand** Boys hostel is having four floors with the capacity of total 146 single rooms. Rooms are well furnished with required Furniture and Electrical fittings. Each floor is having Water Purifier with Dispenser.*

Girls Hostel

*GIMS is having a separate hostel for girls, which is situated inside the campus of Gautam Buddha University. It is named after a famous Indian writer **Ismat Chughtai** girls' hostel. Hostel is having four floors with the capacity of total 100 single rooms. Rooms are well ventilated. Rooms are well furnished with required Furniture and Electrical fittings. Each floor is having Water Purifier with Dispenser.*

Patient Care Facilities

The hospital is functioning 24x7x365. The hospital brings together physicians in all basic specialties, efficient administrators and specialized equipment to deliver high quality care to people with acute and chronic health conditions.

We offer a wide range of services, including emergency care, scheduled surgeries, labor and delivery service, diagnostic testing, lab services, and patient education.

OPD Services

OPDs have waiting hall with adequate facilities to sit and wait where public utilities like drinking water and toilets are available for the convenience of patients. Sub-waiting areas are available in front of individual consultation rooms.

Emergency Services

Radiology Services

GIMS COVID-19 PATIENT CARE

1. *As per the directions from the Govt of UP, Dept of Health and Medical Education, Govt of UP, letter no 228/71-1-2020-UO-71/2020 dated 28 January 2020, letter no ME-01/2020/1455 dated 03 May 2020 and guidelines on 21st May 2020. Government Institute of Medical Sciences (GIMS) Greater Noida has established 225 bedded dedicated Covid hospital.*
2. *The institute has managed over 4500 Covid + patients after successful treatment. Presently Institute providing 450 bedded Covid hospital.*
3. **Diagnostic facilities**
 - *Sample collection for whole GB Nagar*
 - *RTPCR -GIMS has established the lab in record time of one week in on 12th Apr 2020 and has completed >12 Lakhs tests on 30 Nov 2021*
 - *True Nat test*
 - *Rapid Antigen Test (RAT)*
4. **Treatment facilities-** *GIMS is providing state of the Art treatment of Covid 19 patients since the first case of Covid reported in GB Nagar on 15 Mar 2020 and treated more than 4500+ cases.*
5. **Plasma therapy-** *Donated- 791patients, Recipient-1259 with 87 % Success*
[GIMS has done maximum no of plasma therapy in the state]
6. **Training - GIMS** *has taken initiative to conduct training of all the Govt and private hospitals in the Gautam Buddha Nagar, resulting in to Zero mortality among the HCW. GIMS has been awarded “**Center of Excellence**” by Shri Narendra Bhooshan Ji, IAS, Nodal Officer GB Nagar.*

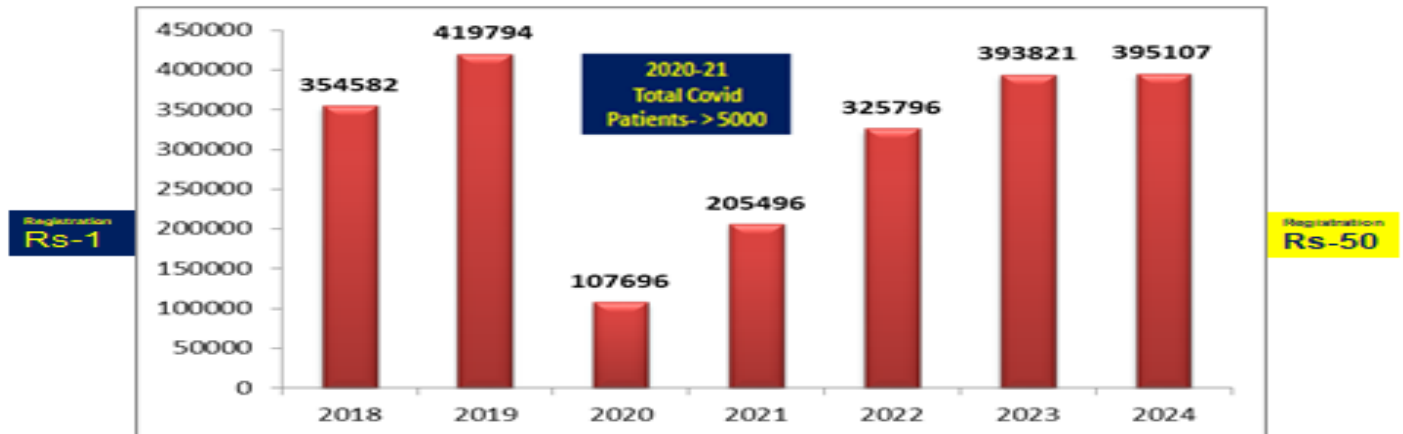

Patient work load

GIMS: SAFARNAMA updated till Dec 2024

1. The Government Institute of Medical Sciences (GIMS) Greater Noida, Gautam Buddha Nagar (UP) is an autonomous tertiary care teaching medical institute established by the Government of Uttar Pradesh. It has started MBBS course for 100 students since 01 Aug 2019 and Post graduate courses (DNB) in clinical specialties since 2020 through National Board of Examinations, College of Nursing for 60 students in 2021, Paramedical school for 60 students in 2021 and Post Graduate courses (MD/MS) in 13 specialties (Clinical and non-clinical) in 2024.

2. The hospital is 500 bedded, fully functional providing comprehensive care in all the broad specialties. The patient load in the OPD as well as inpatients is increasing day by day. There are approximately 1500-2000 patients are visiting every day and more than 350 patients are admitted in the hospital. Since Mar 2020, GIMS was nominated as dedicated Covid hospital by the Govt of UP and more than 5000 patients were managed with minimal case fatality. For this, GIMS has been awarded the “**Best Covid care institute**” among the 67 Medical colleges in Uttar Pradesh in terms of Maximum patient load, maximum Research and best innovations. The Institute has very strong research potential and has been awarded ICMR sponsored Multi-disciplinary Research unit (MRU) and Viral Diagnostic and Research Lab (VRDL)

INSTITUTION JOURNEY

Vision of GIMS: To be a centre of excellence in Patient care, Medical education and biomedical research

➤ **Patient care**

- Fully functional Hospital- Bed strength increased from 300 to 630 beds
- CT scan Services – Jan 2021
- Diabetic clinic – COE for Type I
- Dialysis services – 15 machines
- Blood bank services incl components
- Online Registration for OPD patients – 11 Jun 2021
- Super speciality services
- Covid care - Managed over 5000 patients with minimal case fatality rate in UP state
[Awarded as best covid care institute among 67 Medical colleges/Institutes in Uttar Pradesh].
- Adverse Drug Reaction Monitoring center- 27 Jan 2020
- MDR Tuberculosis Ward - Apr 2020

- *Cost effective drugs - Jan Aushadhi, Amrit Pharmacy, Pitambra and Hospital Revolving fund*
- *Upchar app for Covid care launched on 31st May 2021*
- *E-Sanjeevani – Online consultation of over 70000 patients [1st Rank in Uttar Pradesh] since 08th May 2021*
- *Sick Newborn care unit (SNCU) – Oct 2021*
- *ICTC Center- Jan 2021*
- *LMO and 4 - Oxygen Generations Plants*
- *Improvement in Maternal and Neonatal mortality through iHAT*
- *Private wards*
- *Cashless services to entitled patients*
- *Ambulance services @ 10 Rs/KM*
- *Health ATM, Wellness Clinic & Complete Body Check up*
- *Yoga and Meditation*
- *Sulabh Sauchalaya*
- *IGNOU Study Centre*
- *ABDM*
- *Complete Health check-up- Health ATM*
- *NABH Accreditation ONLY hospital*
- *NABH and NABL Accreditation*
 - *Pt. Deen Dayal Upadhyay State employees Cashless Healthcare facility*
 - *ECHS Empanelment 1st Hospital in UP – Jan 2023*
 - *MNCU*
 - *LMU*
 - *OBG Hybrid HDU*
 - *Thalassemia Care*
 - *NABH Accreditation- 28 Jul 2023*
 - *CON Mentorship selection by UP state– 12 Jul 2023*
 - *NABH Accreditation – Jul 2023*

Medical Education

- *Undergraduate Course (MBBS)*
GIMS got LoP from Medical Council of India vide letter no. MCI-34(41) (E-60)/2019. Med/ 115574 dated 20th May 2019 for starting MBBS course for 100 students. Presently 5 batches are running. GIMS is 3rd sought after medical college in UP during NEET UG 2021.
-

- **Postgraduate Course (DNB)** - The institute has taken initiative to start post graduate courses (DNB) through National Board of examinations in branches of Medicine, Obs & Gyne, Pediatrics & Anesthesia since 2020. This has improved patient care and UG Teaching.
- **Postgraduate Course (MD/MS)** - The institute has taken initiative to start post graduate courses in clinical or non-clinical specialities through National Medical Council in branches of Anatomy (04 seats), Physiology (04 Seats), Biochemistry (04 seats), Pharmacology (04 seats), Pathology (04 seats), Microbiology (04 seats), Community Medicine (04 seats), ENT (03 seats), Orthopaedics (04 seats) General Medicine (06 seats), General Surgery (06 seats), Anaesthesia (06 seats) and Paediatrics (06 seats) in 2024. This has improved patient care and UG Teaching.
- **College of Nursing - 2021**
- **School of Paramedical sciences (Diploma in 2 branches) – 2021**
- **Institute of Paramedical Sciences (Bachelors in 3 branches)-2024**
- **Short term training in various depts**
- **Accredited Basic Life support center by Indian Academy of paediatrics**
- **ECHO Platform - Extension of Community health outcome for conducting Master classes**
- **Covid Pediatric training**
- **Recognized center for State Training programme – CCHN**
- **IGNOU courses - GIMS Greater Noida has been approved and recognised as study Centre by IGNOU for PGDHHM. PGDMCH. CHCWM. PGDGM**
- **Organized 03 International and 02 National and 26 CMEs/Workshops**

Research

- **Research Projects – > 200 Research projects incl 23 Extramural Projects (External Grant > 3 Crores)**
 - **No of Publications: more than 340 Research Publications in last 5 years**
 - **Multi-disciplinary Research Unit (MRU) – Oct 2021**
 - **Viral Diagnostics Research Laboratory (VRDL)- Oct 2021**
 - **State level TB culture and DST Lab- Oct 2021**
 - **Gene Sequencing lab- May 2022**
 - **BSL-3 Lab- Feb 2023**
 - **Centre of Medical Innovation & Incubation-GIMS**
-

- a. **Research Projects Ongoing:-** *There are more than 200 Research Ongoing Research Projects*

UG Projects	Intra Mural Projects	Extra Mural Projects	Clinical Trail Unit	Total
09	199	23	17	248

- b. **No of Publications:-** *More than 340 Research publications in last 5 years*

Year	2018	2019	2020	2021	2022	2023
Publication	64	63	63	61	89	59

Other achievements:-

- *Hon'ble Chief Minister Visited GIMS on 19 Jan 2023*
- *Hon'ble Dy CM Shri Brajesh Pathak Ji visited GIMS on 15 Feb 2023 & 12 Aug 2024*
- *Hon'ble Chief Secretary Visited GIMS on 15 Feb 2022 & 19 Jun 22*
- *NABL Accredited Feb, 2021 (National Accreditation Board for testing and calibration of Laboratories)*
- *NABH Accredited Hospital – Jun 2023*
- *Award by Indian Green Building Council (IGBC) for Green Campus-2021*
- *Award by District Magistrate for Excellence in COVID care-2022*
- *Award by CEO Greater Noida- “Center of Excellence in COVID care”*
- *Award by IMA Noida for Excellence in COVID care*
- *Award by Rotary club for Excellence in COVID care*
- *Award by ABP News for Excellence in COVID care*
- *Award by 11th Edition of World Education Congress- “Outstanding Academic Institutions”*
- *CSR > 15 Crores*

GIMS COVID-19 PATIENT CARE MODEL

1. *As per the directions from the Govt of UP, Dept of Health and Medical Education, Govt of UP, letter no 228/71-1-2020-UO-71/2020 dated 28 January 2020, letter no ME-01/2020/1455 dated 03 May 2020 and guidelines on 21st May 2020. Government Institute of Medical Sciences (GIMS) Greater Noida has established 250 bedded dedicated Covid hospital.*
 2. *The institute has managed over 5000 Covid+ patients after successful treatment. At present Institute is providing 450 bedded covid Hospital. Till August, 2020 Gautam Buddha Nagar has the case fatality rate of <0.4%, which is minimum in the state of Uttar Pradesh.*
 3. **Diagnostic facilities** – *GIMS is doing entire spectrum of Covid diagnostic services*
 - a. *RTPCR test- Established Molecular lab in record time of one week in on 12th Apr 2020 and has completed 16 Lakhs on 31 Mar 2022. Daily capacity > 10000 tests.*
 - b. *True Nat test*
 - c. *Rapid Antigen Test (RAT)*
 - d. *Genome sequencing lab*
 4. **Treatment facilities-** *GIMS is providing state of the art treatment of Covid 19 patients since the first case of Covid reported in GB Nagar on 15 Mar 2020 and treated more than 5000 cases.*
 5. *Plasma therapy: Donated 791 patients, 1259 Recipient, > 87 % Success*
[GIMS has maximum no of plasma therapy in the state].
 6. **Covid Vaccination** - *Over 4 Lakhs vaccinations (Max in GB Nagar). GIMS staff has been awarded appreciation by Hon'ble Union Health Minister shri Mansukh Mandvia Ji on 08 Mar 2022*

 8. *Award “Best Covid Care Institute” in entire Uttar Pradesh by Govt of UP for Maximum patient Load, Maximum Research Publications and Best Innovations & Innovations on 06 Jan 2022*
-

1. **CME & WORKSHOPS:** *Details of accredited CMEs/workshop organized by GIMS:*

S.No.	CME Title	Organizing Department	Date	Credit hours granted by UPMC
1.	International CME on “Recent updates in Mind, Body & Medicine”.	Physiology	20th Nov. 2018	Four
2.	1 st Annual Otolaryngology Update- Head & Neck Oncology	ENT & HNS	14 th Dec. 2018	Four
3.	Advanced Molecular Techniques in Medical Diagnostics	Biochemistry	23 rd & 24 th April 2019	Eight
4.	IAP-BLS Course for Health Professionals	Pediatrics & Dentistry	19 th May 2019	Four
5.	CME-cum-workshop on “Hospital Infection Control Practices – challenges and solutions”.	Microbiology	23 rd -24 th July 2019	Eight
6.	<i>IAP-BLS Course for Health Professionals</i>	Pediatrics	11 th August	Four
7.	CME-cum-awareness programme on “Body and organ donation- live beyond life”	Anatomy	18 th Sept. 2019	Four
8.	CME-cum-workshop on “Current trends and future prospects in Pharmacovigilance – An integral part of Medicine Safety”	Pharmacology	26 th -27 th Sept. 2019	Four
9.	27 th Annual Conference of the Indian Association of Clinical Medicine.	General Medicine	15 th –17 th Nov. 2019	Twelve
10.	International Conference on Evidence based Non-invasive Therapies: Futuristic Medicine	Physiology	18th-19th Nov. 2019	Eight
11.	Workshop on Basic neonatal Resuscitation Program	Pediatrics	7 th April 2021	Four
12.	CME on Hemovigilance	Pathology	6 th April 2021	Three
13.	CME on Advanced Methods of CSSD and Hospital Infection Control	Microbiology & Anesthesia	14 th Sept. 2021	Three
14.	CME on Tumours and Mimics of GIT & Hepatobiliary Tract: Revisiting the Past & Exploring the Future	Pathology	8 th Oct. 2021	Three
15.	CME Airway Management	Anesthesia	12 th Oct. 2021	
16.	CME Covid 19 Preparedness and Response through the lens of Health System	Community Medicine	30 th Oct. 2021	Three

17	CME Covid 19 Preparedness training for the Doctors	Anesthesia	16 th -18 Dec. 2021	Nine
18	CME Workshop on Research Methodology & Bio- Statistical Methods	Community Medicine	18 th -19 Feb 2022	
19	CME on Musculoskeletal imaging current trends & Application	Radio diagnosis	08 th -09 Apr 2022	
20	CME on Sensitization workshop on Emergency Trauma Care	Anesthesia	24 th – 25 th May 2022	
21	CME on Endoscopy for beginners : Better late than Never (Live)	Obstetrics & Gynaecology	29 th July 2022	Three
22	Continuous Insulin Infusion Therapy Training & workshop	Medicine	08 th Sep 2022	
23	CME on Eradicating Tuberculosis by 2025- Programmatic perspective and challenges	Resp Medicine	13 th Sep 2022	
24	CME on Role of Pharmacovigilance in Patient safety	Pharmacology	20 th Sept 2022	Six
25	UPPATHCON (National Conference)	Pathology	15th 16th Sep 2022	Six
26	Basic Molecular Diagnostic Techniques (Under VRDL)	Pathology	3 rd – 4 th Nov 2022	Six
27	Pedagogical Strategies for innovative Teaching- Learning	CON	07 th July 2023	Two
28	Emergency & Trauma Management	Emergency medicine	28 th -29 th Nov 2023	Six
29	Gastro Conclave	General Medicine	08 th Feb 2024	
30	ToT on Respectful Antenatal & Intra Natal Care	Obstetrics & Gynaecology	01 st June, 2024	Three
31	Midlife Matters Demystifying the Menopause	Obstetrics & Gynaecology	15 th July, 2024	One-IMS, Three-ICOG

Other teaching/faculty development programs conducted at GIMS

S.No .	Teaching/Faculty development Program	Organizing Department	Date
1.	Training session on the “Principles of Ethics in Clinical Research”	Pharmacology	20 th Sept. 2018
2.	Sensitization programme for professionals – “NO TOBACCO”	Community Medicine	26 th Oct. 2018

3.	Health talk on “Women’s Health & Cancer Risk – can it be prevented?”	Obstetrics & Gynecology	12 th Jan. 2019
4.	“Recent update of RNTCP”	Community Medicine	19 th Jan. 2019
5.	Training in Medical Education on “Domains of Learning with a focus on AETCOM	Medical Education Unit	7 th Mar. 2019
6.	Competency Based Undergraduate Curriculum and its implementation	Medical Education Unit	15 th Mar. 2019
7.	Symposium on “RNTCP programme”	Community Medicine	16 th Mar. 2019
8.	Guest lecture on “How to select a research topic and research protocol writing”	Pharmacology	11 th July 2019
9.	CISP workshop under the aegis of KGMU, Lucknow	Medical Education Unit	25 th to 27 th July 2019
10.	Workshop on Diabetes	Medicine	9 th August 2019
11.	Gynaecological Oncology CME on Ovarian Malignancy Update	Obstetrics & Gynaecology	10 th Aug. 2019.
12.	Revised Basic Course Workshop	Medical Education Unit	3 rd -5 th Dec. 2019
13.	Series of Webinar on COVID-19	GIMS, Greater Noida	June – July 2020
14.	CISP II workshop	Medical Education Unit	9 th -10 th Sept. 2020

35	CME World Health Day “ Health for All”	Community Medicine	06 th Apr 2023
36	BCLS Workshop	Anesthesia	07 th May 2023

c. OUT REACH PROGRAMMES

- i. *World Organ Donation Day Celebration on 14 June*
- ii. *PMJAY Rally Celebration on 14 Sep 2019*
- iii. *Blood Donation Camps*
- iv. *Mental Health Day Celebration on 12 Oct*
- v. *World AIDS Day Celebration on 01 Dec*
- vi. *Arogya Mela – on Sundays Jan till Mar 2021*
- vii. *Breast Feeding Week 1-7 Aug*
- viii. *NTEP associated village Health camps*
- ix. *Nutrition supplements distribution to tuberculosis patients*
- x. *World Menopause Day- 26 Aug*

6- IMPORTANT VISITS

- a. Shri Narendra Bhooshan, CEO-GNIDA, IAS – 22 Apr 2019
 - b. Shri Mukesh Meshram Secretary, ME on 17 May 2019
 - c. Shri Mahesh Sharma, Hon’ble MP GB Nagar on 23 Jul 2019
 - d. Shri BN Singh, District Magistrate. GB Nagar on 24 Jul 2019
-

- e. Shri Jay Pratap Singh, Health Minister UP on 17 Sep 2019
- f. Shri Suresh Khannaji, Cabinet Minister for Finance & Medical Education on 28 Dec 2019 and 02 Jul 2020 and 10 April 2021
- g. Shri Alok Kumar, Principal Secretary, Medical Education 27 Feb 2021, 18 July 2021 & 25 Feb 2022
- h. Shri G S Priyadarshi, Secretary, Medical Education on 15 March 2021 & 11 Sep 2021
- i. Smt Shubhra Saxena, Special Secretary, Medical Education on 06 Aug 2021 & 23 May 2022
- j. Shri Baleshwar Tyagi, Social Activist, Ex Minister on 19 Aug 2021
- k. Shri Rajendra Kumar Tiwari, Chief Secretary of Uttar Pradesh on 03 Sep 2021
- l. Shri LY Suhas, DM visit on 16th Feb 2021
- m. Shri Yogi Aditya Nathji, Chief Minister, Uttar Pradesh on 19th Jan 2022
- n. Smt Durga Shakti Nagpal, Special Secretary, Medical Education on 11th July 2022
- o. **Shri Brajesh Pathak Ji, Hon'able Deputy Chief Minister, Uttar Pradesh on 15th Feb 2023 & 12 Aug 2024**
- p. **Prof. Atul Goel, Director General of Health & Sciences on 1st June, 2024**

7- IMPORTANT EVENTS/ MILESTONES

- a) Inauguration of the GIMS MBBS classes on 05 Sep 2019.
- b) Hon'ble Chief Minister Addressed UG students on 28 Aug 2019
- c) 1st Newborn Surgery - 01 Nov 2019
- d) Hon'ble Chief Minister Inaugurated the CT Scan facility on 25-01-2021
- e) Inaugurated of Dialysis Unit by Principal Secretary, Medical Education on 27 Feb 2021
- f) Inaugurated of PSA Oxygen Generation Plant by Chief Secretary UP, on 03 Sep 2021
- g) Inauguration of CT Scan by CM on 25th Jan 2021
- h) Got approval for 56 acre land

राजकीय आर्युर्विज्ञान संस्थान, ग्रेटर नोएडा GOVERNMENT INSTITUTE OF MEDICAL SCIENCES AN AUTONOMOUS INSTITUTE UNDER GOVERNMENT OF UTTAR PRADESH

[Home](#) [About us](#) [Departments](#) [Hospital](#) [Recruitments](#) [Committees](#) [MCI Corner](#) [Apply Online](#) [Contact Us](#)

Government Institute of Medical Sciences, Greater Noida, is an upcoming apex institute with mission to provide affordable health services to all sections of the society and has been envisioned to be in the forefront of providing excellent professional medical education, multi-disciplinary research and state of the art tertiary care medical facilities. The institute is having skilled, experienced and dedicated faculty members who are well versed with recent upgradations in Medical Education Technology. Institute is well equipped with excellent infrastructure, library facilities, student laboratories and skilled labs. The institute is awaiting the Letter of Permission (LOP) from Medical Council of India for admitting 100 MBBS students for the academic year 2018-19. There will be complete focus on integrated medical curriculum implementation that will equip medical students to face up to various challenges in their future career and also help them to become compassionate, empathetic and responsible doctors who can duly fulfill the needs of the society. The attached hospital is already providing full fledged health care facilities in all medical and surgery specialties to the patients.

Vision
To establish a dedicated centre of excellence in medical education, health care and research.

Objectives
To provide best quality teaching and excellence in medical education.
To generate outstanding leaders in health sciences.
To provide compassionate, patient-centered health care of highest quality.

About Our Director

Dr. (Raj) Rakesh Gupta is an alumnus of JN Medical College Aligarh and did MD in Pediatrics from prestigious Armed Forces Medical College Pune and M.Phil in Hospital and health system Management (HSM) from BITS Pilani and trained in NABH, Road Map.
