charges of the institute**

# GIMS

Government Institute of Medical Sciences, Greater Noida, is an autonomous medical teaching institute established by State Government of Uttar Pradesh with mission to provide affordable health services to all sections of the society. It is the only Government Medical college in this region catering to Gautam Buddha Nagar, Hapur, Bulandshahr, Khurja, Jewar, Mathura and other neighbouring areas. It has been envisioned to be at the forefront of providing excellent professional medical education, multi-disciplinary research and state of the art tertiary care medical facilities. The institute is having skilled, experienced and dedicated faculty members who are well versed with recent up gradations in Medical Science. Institute is well equipped with excellent infrastructure, diagnostics and patient care facilities. Super speciality clinics like Urology, Neurosurgery and Gastroenterology have also been initiated.

The institute is affiliated to the prestigious King George's Medical University, Lucknow. Currently, MBBS teaching is going on for two batches. Additionally, postgraduation (DNB) courses have been started in major clinical specialties including Obstetrics and Gynaecology, Paediatrics, Medicine and Anaesthesia.

**Various Government health schemes like Ayushman Bharat, JSSK, etc. have been implemented in the institute. Beneficiaries eligible under various Government schemes implemented at GIMS are being given benefits as per the guidelines.**
