## INTRODUCTION

1. The Government Institute of Medical Sciences (GIMS) Greater Noida, Gautam Buddha Nagar (UP) is an autonomous medical teaching institute established by the State Government of Uttar Pradesh, established since 15th February, 2016. The institution is registered with Society as an autonomous institution on the lines of SGPGI Lucknow and affiliated with prestigious Atal Bihari Vajpayee Medical University Lucknow. The institute has started MBBS course for 100 students since 01 Aug 2019 and Post graduate courses in clinical specialties since 2020 through National Board of Examinations, College of Nursing for 60 students in 2021 and Paramedical school for 60 students in 2021.
2. GIMS was established with an aim to improve the status of health of the rural and urban population of western Uttar Pradesh, by providing a state-of-the-art health facility as well as facilitating equitable access to quality health care through a revamped health care system, targeted outreach services as well as involvement of community and local bodies. The Mission of the institute is to provide comprehensive medical facilities to each and every life without discrimination along with developing GIMS as a centre of excellence in the field of health delivery system, medical education and research.
3. Since Mar 2020, GIMS was nominated as dedicated Covid hospital by the Govt of UP and more than 5000 patients were managed with minimal case fatality. The institute has been at the forefront in COVID-19 diagnostics and done over 16 Lakhs RTPCR so far. We have more than 120 research projects out of which 17 are extramural with ICMR, NIMR and WHO. Recently, GIMS has been awarded by the Hon'ble Minister of Medical Education Shri S K Khanna Ji, the “**Best Covid care institute**” among the 67 Medical colleges in Uttar Pradesh in terms of Maximum patient load, maximum Research and best innovations.
4. The institute has state of the art infrastructure, well equipped high-end equipments and laboratories, along with Skill lab. GIMS hospital is fully functional providing comprehensive care in all the broad specialties. There are approximately 1500-2000 patients are visiting every day and more than 300 patients are admitted in the hospital. The total no of patients reported in 2019 are approx. 4, 27,712 and 11825 patients were admitted in the hospital. The institute is providing various medical facilities as critical care, surgeries, Investigations, Dialysis, CT scan etc to the patients. Due to its location at the gateway of NCR, there is a huge demand of Medicare in the region and the institute needs to develop in to a large multispecialty hospital.
5. The institute has state of the art infrastructure, modular operation theatres, well equipped high-end equipment and NABL accredited laboratories, and highly advanced Skill lab. The faculty at GIMS is from reputed institutions, highly experienced and dedicated, well versed in latest Medical Education Technology and trained in newer curriculum guidelines from the MCI/NMC. The hospital has established multi-disciplinary Research unit (MRU), Viral Research development laboratory, Paramedical training institute and skill development centre.
